### Show Schedule

Hi Everyone,

How's your New Year going?  
Mine is going too fast already!

Maybe yours is too but I hope you reserve some time to join me at one of my

shows or other art events. I have my 2011 schedule on my website and will be updating it as new events come up so keep checking back.

Other than the shows there are a few different ways you can see my paintings.

You can visit the following galleries listed below and perhaps one of the best ways for local florida residents I am very happy to bring some pieces to your house so you can see them at your house to help you choose the ones that look best in your home.

"Sweet and Sunny" Oil 8" x 6"
