## Needs a Good Home

### Featured Painting

Hi Everyone,  
On the right is "Mangroves in Paradise" in a beautiful silver leaf frame. It hangs on my wall so I get to enjoy it everyday and it is one of my favorites but as much as I appreciate my own work I do it for others to enjoy. Are you looking for something just this to brighten your home?

This is a painting of Delnor Wiggins State Park, Naples, FL where I was the Resident Artist

for 2008, and the distant beach is Barefoot Beach.

If you like ["Mangroves in Paradise"](#) oil on canvas, 24" x 36", needs a loving home. Cost is \$5,000 and I will give the frame and shipping in the USA free. Use a credit card, check

or cash and even layaway with monthly payments are available.

## Home Art Shows

Do you like entertaining? Are you looking for an excuse to invite friends around? Are you an art lover? Then you are a perfect candidate to have an **Art Show Party** at your house.

I am looking for some of you with Florida winter homes to partner with me in hosting an Art Party during this coming fall and spring. It will be your party, you choose to invite anyone you want who you think would be interested in seeing a show of fabulous Florida paintings. I will bring a display of beautiful Art and easels to arrange around your house. Your guests can enjoy the art show as well as meeting

“Dawn Delight” Oil 20” x 16”

and talking with the artist. Paintings and prints can be purchased right there and then and be taken home by the new owner.

It will be a wonderful occasion and your guests will rave at what a great host/hostess you are! There will be no pressure, just a time to enjoy friends and meet new people with food and drinks at a party that has the great theme of art.

I am looking for new ways to connect with potential customers and have been wanting to do some Art Parties for a while. Lets make it happen! If you are interested in discussing an Art Party at your house. Email or call me and we can talk.

Please feel free to forward this newsletter and share it with your friends! Thank you!

As always, prints are a great choice for those who love art but are on a budget. Click here for the [Art Prints catalog](#). Newest paintings are not included yet but are available in prints.

I look forward to hearing from some of you, seeing some of you and answering any

questions you may have. Call or email anytime.

Best wishes,

Carol McArdle
